## Surviving Separation - Brisbane

Family Law has undergone *many changes in the last few years*. One of the most significant has been new laws for property settlements in defacto relationships. What is a defacto relationship? What is included? and what can and can't be done? are all regular questions we get. You need to know how it affects you and **how you can Survive Separation!** This 1 hour presentation will provide you with practical and easy-to-understand tips on everything you need to know.

**Don't miss this limited opportunity** to get practical information. Presented by experienced Family lawyer, Belinda Jeffrey.

**More than \$500 value** at only \$20 - Exceptional value for money! Limited places - **BOOK NOW!**

Cost: \$20 (payable at the door)
